

RAINBOW HOUSE OF HOPE UGANDA ACHIEVEMENTS 2022

EDUCATION

Achievements:

1. Access to Education

- 40 Learners were fully paid for and completed their 3 terms in school.

2. Capacity Building for Teachers.

- 2 Workshops about Creating a good school were held for 37 Teachers.

A teachers' Workshop on Creating a good school

3. Started Early Child Development Programme

Created Safe Learning Environment and space for children to participate in various activities.

Enrolled 20 children in this Holiday program.

School pupils attending school.

4. Strengthening the Relationship between the Organisations and Schools we work with.

- Managed to involve these schools in planning and actively participate in different Rainbow House of Hope activities.

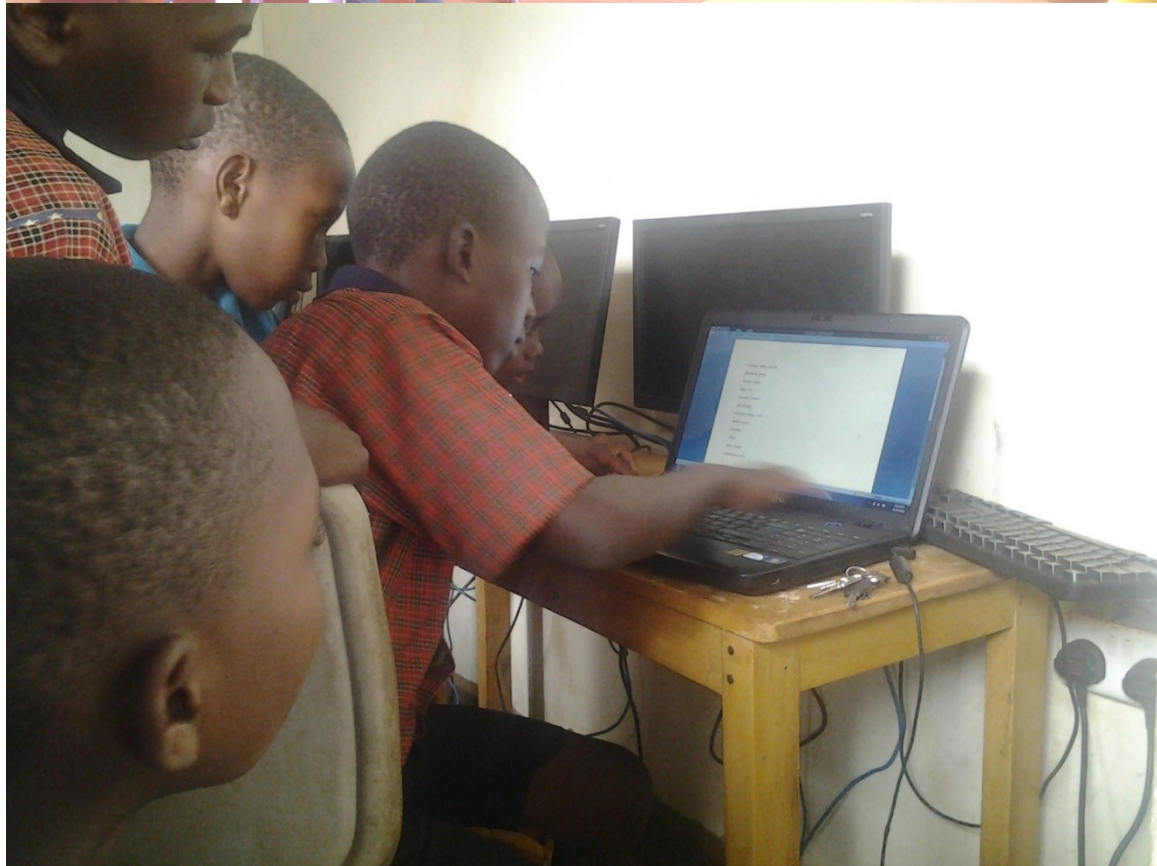

Nest of Joy Primary school at the Centre

5. Promotion of vocational skills among school going children.

- 30 school going children between 8 and 14 years have enrolled in Tailoring and ICT training.

Promoting Vocational Skills (Tailoring and ICT) in schools

HEALTH

1. Improved Oral Hygiene amongst pupils in the schools.

- 750 Pupils brushed their teeth and washed their hands throughout the school year through WASH AND SMILE Project.

2. Addressed the Menstrual problems faced by girls.

- 200 quality sanitary towels and pants were distributed to school going girls.

AFRIpads sanitary towels distribution

TALENT DEVELOPMENT

1. Recruited and trained youth in the Brass band.

- 40 Brass band members can sight read music and play.
- The Brass band can now perform on small community events.

SPORTS

The different sports disciplines have been improved by improving the pitch, equipping them and training them.

THEATRE AND DANCE.

- 3 new dances have been added on the repertoire
- We have started 2 Drama Clubs in 2 schools.

A drama group in Happy Totos doing a drama

COMMUNITY ENGAGEMENTS

- Provide space where community members come together, share experiences on issues affecting children, young people family and community.
- Seven-member committee Team established.

Community Engagement Meetings

A seven member committee Team (Binkwatako Team) meeting

CLIMATE CHANGE

- We managed to mobilize communities and schools to plant trees as one of the most efficient solutions to fighting climate change effects.
- Created awareness through different platforms such as community dialogues, local council meetings and school debate.

Climate Change and Tree planting Campaign

DIGITAL EXCHANGE

3 Digital Exchanges have happened between 3 Ugandan schools and schools from Berlin.

- Children exchanged on various realities of life.
- Children discussed climate change effects and what can be done
- Another exchange will happen on the 6th of December 2022.
- Improve it by planning for it in advance and attaching a budget to it for better results

Pupils of Mivule Primary school during a Digital Exchange

ORGANISATION DEVELOPMENT

- Had several internal evaluation and planning processes for effective program implementation such as Master Plan Development and Annual Workplan.
- Developed a good Organizational Image and presence in the host community.
